**Chase Life**   
with all new Alto K10

MARUTI  SUZUKI

Way of Life!

# Chase Life

Chase everything that life has to offer with the all-new peppy Alto K10. It's more than just a small car, it's a big statement. It's a way of life that's peppier than the rest.

Alto K10 sports a bold new demeanour that inspires confidence. And with a light weight, yet powerful K-Next Engine at its heart, this pursuit machine instils a belief to successfully chase down any plan. With its class-defining aesthetics and comfort, the new Alto K10 is here to write a new chapter in Alto's illustrious history.

## Chase Design

The new Alto K10 sports a bold front that will surely make heads turn. The sharp aerodynamic lines running on the side add to the sportiness of the car. The stunning looks exude confidence and will leave the onlookers yearning for more.

### Front

The wide horizontal lines on the hood, and the sporty new bumper is what makes this car stand out. A dash of chrome on the front grille takes its class quotient a notch higher.

### Rear

With a zippy car, all you get to see is its back. Hence we made the rear of the car as stylish as its front. The new designed tailgate gives the car a wider look, and the clean and sculpted looks add to its flair.

### Headlamps

The sweptback headlamps compliment the bold new front of the new Alto K10 that'll set all hearts racing.

### Tail lamp cluster

The jewel-finished tail lamp cluster gives the new Alto K10 a modern and fresh feel.

## Chase Comfort

Thanks to the flowing curves in the all new Alto K10, the interiors get a wider feel. The energetic lines on the dash and exciting play of surfaces make the interiors of the car a lot sportier.

## Dual Tone Interiors

The new Alto K10 sets new benchmarks in the segment by offering dual-tone interiors.

## Piano Finish Stereo

The new Alto K10 gets an all new piano finish stereo with features like CD, USB, AUX and Radio. This is the audio system that adds another dimension to your favourite numbers as you hit the road.

## Swanky speedometer cluster

The speedometer gets a classic finish and also an RPM meter to gauge the thrill of your chase. The silver finish of the cluster gives the interiors a touch of class.

## Chase Safety

Being in safe hands always gives you more confidence.

The new Alto K10 does just this.

### Fog Lamps

The fog lamps give you clarity so that you can always keep your eyes on the target and enjoy even the foggiest of winter mornings.

### Airbag

The driver side Airbag is just the kind of assurance you need when you undertake a spontaneous chase.

## Chase Convenience

### Utility space on the dash & in the console

The cup holder in the console keeps your cool drink just a sip away, to bring your breath back after that hot pursuit. A space over the glove box is just enough to keep your knick-knacks organized.

### Internally Adjustable ORVM

To add to your comfort and convenience, the Alto K10 comes with internally adjustable ORVMs. Its appealing design is well complemented with the overall interiors of this sporty car.

### Front Power Windows

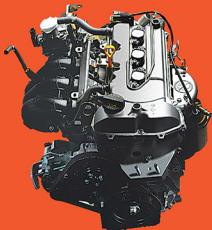

The power window switches have now been relocated on the floor console. This gives both the driver and co-driver easy accessibility without interrupting the drive.

### Keyless Entry

To add to your convenience, the new Alto K10 now comes with keyless entry. This new feature allows you to unlock your car from a distance, thus helping you get rid of the traditional way of unlocking.

# Chase Technology

## Engine

At the heart of this machine is a lightweight, yet powerful 1 litre K-Next engine. The Higher Compression Ratio, drive by wire technology coupled with the 68PS power makes for an exhilarating drive.

## The Auto Gear Shift Transmission

Auto Gear Shift is Suzuki's newly developed automated manual featuring an Intelligent Shift Control Actuator which automatically operates the shift and the clutch. In addition to making driving easier, the Auto Gear Shift has the benefits of low fuel consumption and a direct drive feel.

## Alto K10 Green

The new Alto K10's factory fitted i-GPI CNG technology is a responsible eco-friendly variant. With an unbeatable mileage of 32.26 km/kg (CNG Mode), it gives you the best-in-class mileage without harming the environment.

# Chase Performance

With the best of performance, Alto K10 makes sure that you are geared to chase things as and when you want them.

- Acceleration, 0-60 km/h in 5.3 s
- Maximum Power of 68 PS @ 6000 rpm

## Best-in-Class Mileage

The new Alto K10 offers the best-in-class mileage, both in manual as well as Auto Gear Shift. This ensures one doesn't have to worry about fuel in heavy city traffic. So, you don't have to go chasing fuel pumps.
